## ABOUT US

CLEVI  
is the dream of  
two young people.

Capsule collections di abbigliamento uomo e donna, costumi da bagno e pelletteria con un cuore tutto #madeinItaly. Forme e colori decisi ed un'ispirazione nordica-bohemienne che gioca sui dettagli, le linee decise, il contrasto dei tessuti e la texture del materiale.

Capsule collections of fashion (womenswear & menswear), swimwear, bags and shoes, all made in Italy. Shapes, strong colors, and a bohemienne-nordic inspiration, are the mood of the season. We played with details, lines and materials, and we loved the result. Don't miss it.
